Why you should attend: The seminar is designed to provide information on basic issues of Patents, Trademarks, and Copyrights as they affect government contracts. Vendors view Intellectual Properties as a major profit center and as a method of obtaining a competitive advantage in procurement. Standard IP contracting clauses may require additional specificity regarding legal rights and obligations, transfers and protection from infringement actions. Options in ownership and licenses will be discussed along with other legal issues that you should consider regarding IP clauses in procurements.

<u>Cost</u>: No fee for Attorney General's staff. \$5 per session for Non-Attorney General's staff (to cover the cost of materials).
